

Alive Dance Collective and The Dance Complex Present:
5 Alive!

Cambridge, MA -August 13, 2019- The Dance Complex presents Alive Dance Collective's *5 Alive!*
Friday, November 15th and Saturday, November 16th, 2019 at 8pm.

Alive Dance Collective celebrates its 5th year of creating and performing contemporary dance. Founded in 2014 by Brenna Banister, Alive Dance Collective is committed to dance as an outlet, resource, and connector. It is through dance that the collective connects with each other, the community, and ourselves. Through contemporary movement, Alive Dance Collective gains a deeper understanding of life experiences and supports each other's journeys. The collective's movement is relatable and original, allowing the audience to recognize their own vulnerability alongside the dancers.

5 Alive! will debut new choreography as well as highlight work from the collective's repertoire created over the past five years. Alive Dance Collective has performed to sold out audiences at previous works *We Dance When Ice Gets Thin*, *Explorations*, and *Intertwined*. Proceeds from this performance will benefit You Care We Care, a non-profit organization providing services to children in Haiti and other under-privileged areas.
